

FOR IMMEDIATE RELEASE:

**ENT FACIAL PLASTIC AND RECONSTRUCTIVE SURGEON JOINS CT ENT SINUS CENTER
HEARING & BALANCE TEAM**

Norwalk, Conn (July 23) - CT ENT Sinus Center Hearing & Balance is pleased to announce that Dr. Heather Waters has joined the practice full-time starting immediately. Double board certified in facial plastic and reconstructive surgery, Dr. Waters brings several years of experience and expertise as an Ear, Nose, and Throat (ENT) doctor to the practice.

“As we continue to expand our healthcare offerings, we are thrilled to welcome Dr. Waters to the team,” said Director of CT ENT Dr. Robert Weiss. “Dr. Waters’ wide knowledge base and immense surgical skills enable the practice to further tailor procedures to meet the unique goals of each patient. She has a proven ability to achieve outcomes that patients love.”

An expert in facial plastic and reconstruction, Dr. Waters offers a full range of cosmetic surgery procedures as well as popular non-surgical treatments including:

- + Facial rejuvenation: facelift, neck lift, brow lift, and eyelid surgery
- + Rhinoplasty (nose reshaping)
- + BOTOX, dermal filler, chemical and laser rejuvenation
- + Skin cancer reconstruction of the face and neck
- + All aspects of functional nasal surgery including nasal fracture repair and septoplasty
- + Prevention and treatment of droopy eyelids and bags under the eyes

Dr. Waters graduated with honors from The Ohio State University School of Medicine and Public Health and subsequently completed a residency in Otolaryngology - Head and Neck Surgery at the Cleveland Clinic. After completing her residency, she completed a prestigious fellowship in Facial Plastic and Reconstructive Surgery with one of the world’s leaders in the field.

Dr. Waters has begun seeing patients at CT ENT. Those who wish to schedule a consultation please visit <http://www.ct-ent.com/>. Or, call (203)716-6008 to make an appointment.

About CT ENT:

CT ENT brings together the best medical professionals and leading-edge technologies to diagnose and treat conditions affecting the ears, nose, and throat. CT ENT specializes in Balloon Sinus Dilation for those suffering from chronic sinusitis, allergy-care, integrative and holistic therapies, and hearing and balance services. CT ENT is led by board-certified doctors, nurse practitioners, audiologists and a registered nurse to offer the highest level of expertise attainable within the medical field. CT ENT’s professional staff also includes medical assistants with superior training and experience.
