

INNOVATIVE FINANCE WINDOW CHALLENGE

Your business project will need to address the following challenge to be eligible to be considered for the Innovative Finance window of the Malawi Innovation Challenge Fund competition:

The MICF challenges firms to introduce new initiatives that could:

- Develop new profitable models in Malawi that will introduce new products, delivery channels and business models to increase financing to Small and Medium sized enterprises (SMEs).
- Specially we challenge the financial sector in Malawi to introduce new innovative financial products and services on a sustainable basis that address the needs of the underserved SME sector.
