

Your NHS Needs You!

Ambassador Programme

Help your **NHS** as an Evergreen Life Ambassador!

Do you love your NHS? Do you want to help people take control of their health records?

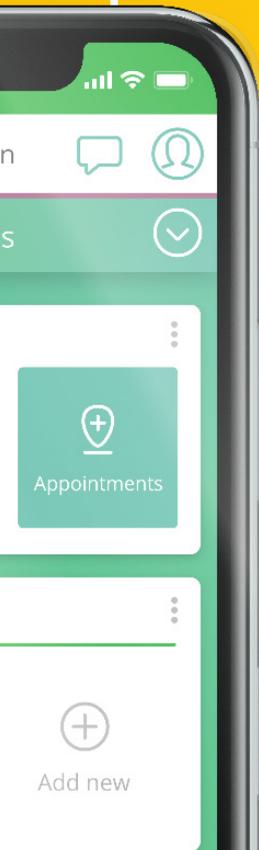

By becoming an Evergreen Life ambassador, you can do this and help the NHS save time and money with promoting GP online services and owning your own personal health record.

What are GP online services?

At Evergreen Life, we're connected to all three major GP systems in England, meaning that everyone in England can book doctors' appointments, order repeat prescriptions, and view their GP record, all within the Evergreen Life app. If you want to help your local community and your NHS get the best out of these services, we would love to have you as one of our Community ambassadors, helping people to use these services.

How does this help me?

By endorsing the service that Evergreen Life helps to provide and encouraging others to do so too, you personally will:

- 1 Helping others take control of their own GP history and personal health records.
- 2 Improve the understanding of your own personal health data.
- 3 Record all your own health information such as allergies, conditions, etc. This will help be in control of your health and wellbeing.
- 4 Share your health information with those that matter most – if you have a family member, carer or health professional that aids you with your care, a better decision of healthcare will be provided.

How does this help the NHS?

By you using and helping to promote our online GP service, you can help the NHS by:

- ➊ Reducing phone calls to surgeries, efficiently ordering repeat prescriptions and booking healthcare appointments through online services.
- ➋ Save the NHS money by offering a simple cancellation service for appointments.
- ➌ Help bring more efficient time keeping skills in one simple app platform.
- ➍ Reduce the strain on GP practice staff with introducing less admin tasks.

What support will I get as an Evergreen Life ambassador?

Access to a Facebook group with Evergreen Life team members and fellow ambassadors, helping to share different ideas and feedback to on your findings.

Training on how to use the Evergreen Life app - so even you dont consider yourself technology savy, we can leave you feeling confident in using the app and assisting others in doing the same.

Regular check-ins with the Evergreen Life team so that you will feel very supported in the great work you are doing.

Promotional materials to give to your local GP practices, practice, friends, family and local community.

You will also receive an exclusive
Evergreen Life Ambassador T-shirt!
