

19' ADA SHOWER/RESTROOM +1

Our ADA Shower/Restroom Combo +1 Trailer combines a wheelchair accessible restroom and shower combo unit with one standard private unisex restroom. The ADA unit's gently sloping ramp and spacious platform provides ample room for easy navigation to enter and exit. With intelligent and durable construction, quick and simple set-up, comfortable, climate-controlled interiors, luxury amenities, tankless water heaters, and advanced flushing toilets, this is really the only way to go for holistic mobile ADA-compliant facilities in any environment!
