ABOUT US

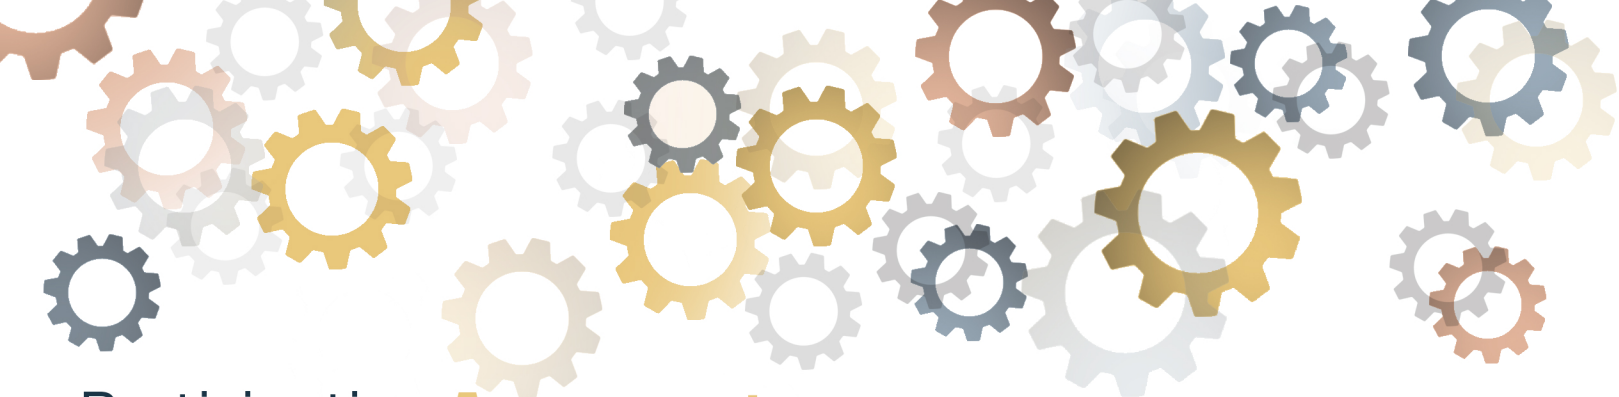

The Refugee Centre is excited to announce its very first career fair taking place at Concordia University this March! TRC is a non-profit, non-political NGO, dedicated to the social, economic and academic integration of refugees and immigrants within the Montreal community.

The **Engineering and Computer Science Association (ECA)** is a leading non-profit organization in Canada, representing more than 6150 future engineers, making the ECA one of the largest Engineering Association in Quebec.

WHY PARTICIPATE

As an agency participant, you will have access to a pool of candidates in a one-stop environment. You will have the opportunity to meet with non-traditional potentials, from a variety of backgrounds and expertise. This will also give you the chance to meet and network with others in the field as well as allow for increased brand awareness for your company.
