- Main steps
- Post-grant review

## Federal Statute

Articles of Statute  
#9,279/1996

OBS.: First recommendable step is to conduct availability searches for the desired mark in each intended jurisdiction.

★ Application will be normally prosecuted with no priority claim.

★★ Any material changes performed due to compliance of office actions may result in the application's republication.

★★★ Application's examination may be stopped due to BRPTO's necessity of prior analysis of conflicting/related marks.
