Owner's comments	<p>Mad Giraffe R25 rowing boat is in excellent condition having only one owner and one crossing. She is fully equipped and serviced with everything (loose and fixed) required for a transatlantic crossing, including spares/double of some equipment. As part of the purchase John is willing to spend time with whoever buys the boat going through everything and passing on everything he has learned in his race prep and Atlantic crossing. Would suit a solo or a pair.</p>

Rannoch Adventure comments	This is a typical example of an R25 pairs' boat presented in great shape ready to cross an ocean. Mad Giraffe has the added benefit of having carbon incorporated into the construction. She was rowed solo for her crossing, but is actually a pairs' boat.
