

Carousel is the industry leader in enterprise digital signage content management. Partnering with Carousel makes it easier than ever for integrators to **deploy successful signage networks!**

## Easy to Sell

### Dedicated to the channel

Not only do we make it easy for you to pitch, quote and close Carousel sales, but we support you along the way to ensure both you and your customer succeed!

## Easy to Deploy

### Connected, updated & fresh

Carousel is a cloud-based software that integrates with the best media player technologies, which means it's easier than ever for technicians to install and deploy.

## Easy to Expand

### Build on relationships

Engage with your customers by reselling our training, content and support services, nurturing your relationships with customers over time.

With 109% retention rate ...

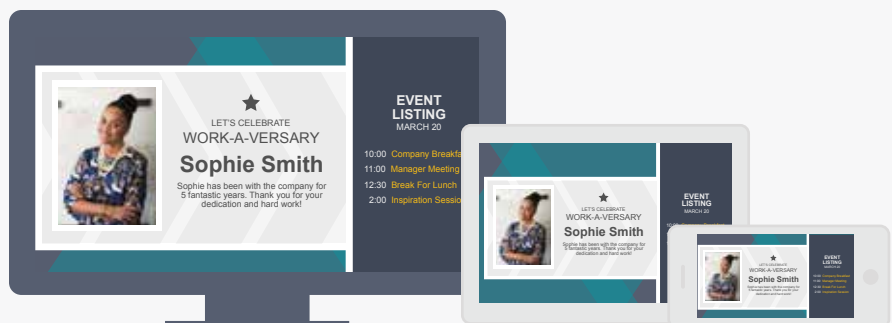

# 109%

... you know you're landing deals that will continue to give **year after year**. Recurring revenue has a compounding effect. Less deals to tackle and more money in your pocket.

**Our churn rate is negative:  
Ask us how!**

## Express Players

Your existing customers will eventually want to increase their visual communications throughout their facility and workforce. Express Players are designed to do just that by extending the reach of your classic digital signage onto tablets, websites and desktop screen savers. Features like Express Players give you additional upsell opportunities to build more recurring revenue.
