

Extend Your Congregations Reach with Carousel Digital Signage

Easy to Deploy, Create & Expand

Carousel is a cloud-based digital signage software that integrates with the best media player technologies, which means it's easier than ever to install and expand. Your team can create and collaborate on messaging so you have a diverse, fresh set of content with different perspectives. Log in, choose a template that's right for you and start sharing your visual communications immediately!

Campus-wide communication

Hope Lutheran Church uses Carousel Digital Signage to overcome unique communication challenges. Two Campuses, One Congregation: Digital signage helps unite the two congregations.

"The recent installation of LCD monitors and Carousel digital signage software has had a significant impact on improving communication between the campuses."
