- Small personal gifts     Public recognition     One-on-one recognition     Group activities  
 Regular evaluations     Letters of recommendation     Opportunities for professional development  
 Opportunities for increased responsibility     Other: \_\_\_\_\_

---

## BACKGROUND CHECK INFORMATION

*Note: A criminal background does not necessarily prevent you from volunteering with us. We assess criminal histories on a case-by-case basis and a further conversation may be invited. (RCW 43.43.830)*

Because we host high school students on-site, Garden-Raised Bounty conducts annual background checks on all volunteers. You must be cleared by Olympia School District in order to volunteer when youth are present on site. **The background check is free and takes about ten minutes to complete; you can fill it out online on the GRuB website. If you have any difficulty with the online background check, please contact the Volunteer Coordinator.**

Steps to Completing the Background Check:

1. On the GRuB website ([www.goodgrub.org/volunteer](http://www.goodgrub.org/volunteer)), open and fill out the background check form and submit.
2. When the volunteer coordinator receives your completed application and background check form, they will email you a link to an application through our nationwide background-checking service (Criminal Information Services). Please fill it out completely.
3. The volunteer coordinator will notify you when your results have been received.

I, the undersigned, give Criminal Information Services permission to share results of my background check with Garden-Raised Bounty (GRuB), effective for the duration of my service with GRuB.
