3. External Prescription History: I consent for Renew to obtain patient prescription history via Surescripts. The Surescripts database stores prescription history from most pharmacies and provides us with information such as medication name, prescription date, dosage, prescribing physician, and refill history. This will make it easier for you to share your medical history with us and give us the ability to provide you with better, more efficient quality care.

II. Notice of Privacy Practices

1. Confidentiality. It is the policy of Renew to protect the privacy and confidentiality of patients' medical information.
2. Notice of Privacy Practice. Renew's Notice of Privacy Practices explains how Renew may use and disclose my medical information. It also explains my rights regarding this kind of information. Renew may revise its Notice of Privacy Practices at any time and will provide me with a copy of the revised Notice of Privacy Practices at my request. III. Payment Authorization

1. Payment Authorization. I authorize Renew to directly bill my health plan, third-party payer, or Medicare for services rendered to me by or on behalf of Renew, but acknowledge that Renew is not obligated to submit claims to third-party payers on my behalf unless required by law or by its contract with a particular third party payer. I also authorize my health plan, third-party payer or Medicare to make payment directly to Renew for such services. I understand and agree that Renew is not responsible for collecting third-party payments or negotiating disputed settlements on my behalf.

2. Late Cancellations and Missed Appointments: I understand that after TWO missed appointments or late cancellations (less than 24 hours notice), I will be required to pay the Late Cancellation/Missed Appointment fee of \$50 prior to making another appointment. Missing 3 or more appointments within a year means I may be discharged from the clinic.
3. In-Office Procedures. I understand that most diagnostic procedures performed in the office are billed separately and in addition to office visit charges. These diagnostic procedures are classified by many insurance carriers as "surgery" and may be processed differently than office visits, including being subject to higher deductible. I understand that these diagnostic procedures are important to my care and will only be performed when deemed medically necessary.
4. Returned Checks: I acknowledge the \$40 returned check fee on all checks returned to Renew for insufficient funds.

V. Cosmetic Services

5. Cosmetic procedures (e.g. facelift, Botox, hair transplants, laser hair removal, etc.) are ineligible unless the procedure is necessary to improve a deformity due to a congenital abnormality, personal injury or disfiguring disease. The federal penalty for using FSA/HSA/HRA funds for non-qualified expenses is 20 percent if you are under age 65, plus the loss of tax-free treatment for the distribution.
6. Free Cosmetic Consultation: Renew Facial Plastic Surgery offers free consultations for cosmetic services. However, if you elect to have your insurance company consider the procedure for coverage, the consultation will be billed as an office visit to your insurance and you will be responsible for any patient liability per your insurance contract including copays, deductibles, and co-insurance. Should you desire a second consultation the fee is \$100. This will be applied to your surgery but is non-refundable if you do not proceed with surgery.
