Description

A time-limited monthly statewide series for providers and staff treating or interested in treating adolescents and young adults with opioid use disorder. We will learn techniques for working with adolescents from experts in the field and create a peer-to-peer network of colleagues for support.

Sessions

- **April 21st**: Caring for Youth with Opioid Use Disorder; Sarah Bagley, MD
- **May 19th**: Helping Parents Support their Kids in MOUD: Community Reinforcement Approach and Family Training; Lara Okoloko, MSW
- **June 16th**: Motivational Interviewing for Adolescents in MOUD; Jonnae Tillman, DNP
- **July 21st**: Co-occurring Mental Health Problems in Adolescents with OUD; Michael McDonell, PhD

Who Should Attend

This series is intended for anyone in Washington State treating or interested in treating adolescents and young adults with OUD. Examples of individuals and organizations are providers, care managers, navigators, SUDPs, pharmacists, administrations, those in the criminal legal system, FQHCs, health systems, BHAs, SUD programs, OTPs, SSPs, EDs, Inpatient and anyone else you would like to attend.

This webinar is funded by the State Opioid Response (SOR) grant from the Substance Abuse and Mental Health Services Administration (SAMHSA), and is provided by the University of Washington's Alcohol & Drug Abuse Institute.
