PROJECT

COMIC STATION

Comics Station Antwerp is an indoor park based on Belgian comic strip heroes. The list of popular, and often world famous, Belgian cartoon characters, like The Smurfs, Robbedoes, Lucky Luke, Jommeke and Suske en Wiske, is impressive. The park seeks to offer a unique experience for the whole family. Everyone is bound to find something to their liking in

the numerous attractions, installations and all kinds of modern and traditional interactive components that bring a comic book to life. Comics Station is accommodated in the magnificent railway station of Antwerp-Central. For over 100 years, the station has attracted travellers and spectators from Belgium and abroad.
