BEAUTY UPDATE: SHU BAR HAIR TREATMENT AT THE NEW ROMAN K SALON

BY WENDY SY MAY 26, 2015

In the heart of the NoMad neighborhood in New York City, is the newly opened **Roman K Salon**, a one-stop beauty retreat offering a wealth of services from hair treatments, mani-pedis, to make up applications. Perfect for days when you need a little pick-me-up, (or any day, in fact!) try our favorite, the **Shu Bar Treatment**.

Inspired by the precision of Japanese beauty, the Shu Bar Treatment is like a cocktail recipe for hair.

Whether you prefer to focus more on moisturizing or repairing your locks, you can choose which treatment you would like from a menu—it's a curated experience to tailor to your lifestyle. High performance formulas and natural ingredients from the Shu Uemura brand are worked into a relaxing scalp massage, so all you have to do is sit back, relax, and let those tresses come to life.

To top it off, each visit to the Roman K Salon offers complimentary beverages—tea, wine, champagne, and mimosas galore. It's the vision of its owner, expert stylist, **Roman Kusayev**, to create a fun yet upscale service to be enjoyed.

Book your appointment at the Roman K Salon on romanksalon.com or call (212) 951-1137 and visit the location at 253 5th Avenue, 5th Floor, New York.
