

**To Our Customers:
Coronavirus – Covid-19**

The health and safety of our customers and employees are very important to us.

Due to the concerns of the Coronavirus – Covid-19 we are following the CDCP and County of San Diego guidelines, which recommend regular hand washing and disinfecting as the most important preventive measures we can take to limit the spread of the virus.

We are committed to doing our part to prevent the spread of the virus by following these guidelines, by disinfecting often-touched surfaces such as door handles, countertops and glass displays. We are also doing our daily cleaning procedures by disinfecting display and rental equipment before and after it has been handled.

If you need special assistance, please call us and we can work with you during this unusual time.
