The Internal Revenue Service (IRS) has issued the 2019 standard mileage rates. Beginning on January 1, 2019, the standard mileage rates for the use of a car, van, pickup or panel truck will be:

ARTICLE CONTINUES AFTER ADVERTISEMENT

- 58 cents per mile for business miles driven (up from 54.5 cents in 2018)
- 20 cents per mile driven for medical or moving purposes (up from 18 cents in 2018)
- 14 cents per mile driven in service of charitable organizations (currently fixed by Congress)

If you're wondering about the difference in the rates for business and medical or moving purposes, there's a reason: The standard mileage rate for business is calculated using an annual study of the fixed and variable costs of operating an automobile, including depre-
cication, insurance, repairs, tires, maintenance, gas and oil, while the rate for medical and moving purposes is based on the variable costs, such as gas and oil.

Standard mileage rates are used to calculate the amount of a deductible business, moving, medical or charitable expense (miles driven times the applicable rate). To use the rates, simply multiply the standard mileage rates by the number of miles traveled.

If you use your car for more than one use, you'll want to keep appropriate records and back out the cost of personal travel. You may also use more than one rate on your tax return. Let's say, for example, that you drive 20,000 miles in 2018. Of those miles, 10,000 are for personal use and 2,000 are for charitable purposes and 8,000 are for medical purposes. You would calculate your deduction as follows:

10,000 personal miles x 0 = 0

2,000 charitable miles x .14 = $280

8,000 medical miles* x .20 = $1,600

*For purposes of the example, I'm assuming that you've already hit the 10% floor for medical expenses.

ARTICLE CONTINUES AFTER ADVERTISEMENT

In the example, your total deductible mileage related expenses would be $1,880 plus additional related charges such as parking fees and tolls.

Taxpayers also have the option of deducting actual expenses rather than using the standard mileage rates—though admittedly, that's a lot more work.

Keep in mind that, under tax reform, taxpayers can no longer claim a miscellaneous itemized deduction for unreimbursed employee travel expenses. That deduction was eliminated from Schedule A alongside similar deductions like the home office deduction. You can see how those changes will affect Schedule A here. This does not affect any deductions that are properly claimed on a Schedule C for the self-employed, freelancers and independent contractors.

Most taxpayers cannot claim a deduction for moving expenses in 2019. However, an exception applies to members of the Armed Forces on active duty moving under orders to a permanent change of station.

(It's worth noting that there was some confusion about moving expenses which occurred in 2017 but weren't paid or reimbursed by the employer until 2018. The IRS issued guidance on this issue, and you can find out more here.)

**Remember:** These are the rates effective at the beginning of 2019 for the 2019 tax year. Assuming that they still apply to you, that means they'll show up on your 2019 return (the one you'll file in 2020). **However, you can still use the 2018 standard mileage rates for the tax return that you'll submit in 2019.**

If you're looking for the 2018 tax rates under tax reform, you'll find them here. For the 2019 numbers, click here.

Subject: Consulting Services Proposal – 2018

Dear Supervisor Morrissey:

We are pleased to submit this proposal for continuing to provide consulting services to the Town of Somers during the year 2018.

Services Which We Will Provide

We are available to continue our work on application reviews and to assist the Town Planner as deemed appropriate. We are also available to provide our services on special projects as requested.

Personnel

Our team serving the Town of Somers will continue to include but not be limited to Sarah Brown (planning), Michael Gaiante (traffic engineering) and Mailly Timpone Mohamed (environmental issues and landscape design).

Fees

Copies of our 2018 Municipal Schedule of Hourly Charges and our Standard Schedule of Hourly Charges are enclosed. As you are aware, we use our standard rate schedule for application reviews where the Town is reimbursed for the cost of our services, and in recognition of our long-standing relationship with our client communities, we use a reduced municipal rate schedule for non-reimbursable services.
It is important to note that our rates already have built into them the cost of administrative support such as secretarial and clerical staff time. That is, we do not bill, as some consultants do, for secretarial and clerical staff time; we only bill for the time of our professionals. Further, our fees include telephone, supplies and other ordinary overhead expenses associated with our services.

Miscellaneous

This proposal does not include any architectural, legal or engineering services, other than traffic engineering. It does not include participation in any court cases. Such an arrangement, if desired, would be subject to a separate agreement. However, the Town would agree to compensate us for any time and expense involved in connection with a subpoena issued to us and for our attendance in court to testify in any matter relating to the Town's planning and zoning activities occurring during any period of our service to the Town.

It is also understood that payment to Frederick P. Clark Associates, Inc. for services provided in accordance with this proposal is not contingent on the Town receiving any payment from third parties who are not a party to this agreement.

If you have any questions regarding this letter, please let me know. If, however, this proposal is satisfactory as presented, we would appreciate it if you would endorse the enclosed copy of this letter in the space provided below, and return the endorsed copy to me for our files.

We want our services to Somers to be of maximum effectiveness in assisting both the Town Board and the Planning Board in carrying out their planning and environmental responsibilities. If there is ever any way in which you feel we can be more useful, please do not hesitate to let me know.

Best regards,

Very truly yours,

Re: Legal Services for 2019

Dear Supervisor Morrissey:

This letter shall serve to confirm the basis of our agreement with the Town of Somers for the year 2019 for general legal services and for services rendered to any of the Special Districts or for special projects for which we may be given responsibility.

Our annual retainer for general legal services shall be One Hundred Two Thousand Eight Hundred Seventy Four Dollars and Seventy-Five Cents ($102,874.75) per year payable in equal monthly installments of Eight Thousand Five Hundred Seventy Two and 90/100 ($8,572.90) Dollars. The term general legal services is to include attendance at all regular and special meetings of the Town Board, the Planning Board and the Zoning Board of Appeals (when requested by the ZBA). In addition, we shall coordinate the defense of Article 78 Special Proceedings filed against the municipality with insurance counsel. Within the parameters of our retainer we also agree to be available daily for consultation with all Board members, consultants and with all municipal department heads and elected officials and for meetings at mutually convenient times. In addition, we will handle routine real estate matters for the municipality such as lot boundary adjustments, easements and rights of way and be responsible for the drafting of all municipal contracts, except employment agreements, on an as-needed basis.
Aside from those matters as outlined above, there may exist, from time to time, matters involving extraordinary services for which we would find it necessary to bill on a separate hourly basis. All such services requiring large blocks of our time would be agreed upon in advance with the Board and would continue to be billed at the rate of Two Hundred Fifty ($250.00) Dollars per hour, per attorney.

In addition to all such services, we agree to serve as Counsel to the Town's special districts. As matters arise and are referred to us, we propose to render such services on an as needed basis at the rate of Two Hundred Fifty ($250.00) Dollars per hour, per attorney, to be separately billed to the appropriate taxing entity.

We also agree to prosecute all violations of local laws in Justice Court and to coordinate all such activities with the Building Inspector and his staff on an as-needed basis and to be available to assist the Police Department in similar prosecutions as may be requested. We will also continue our appearances for plea bargain purposes on an as needed basis. Such services outlined above will be billed at the rate of Two Hundred Fifty ($250.00) Dollars per hour per attorney.

We envision the following delegation of responsibilities within our office for the coming calendar year:

A. Town Board, Special Districts and general coordination - Roland A. Baroni Jr.

B. Planning Board and General Litigation - Roland A. Baroni, Jr. and Joseph Erieole

A. Zoning Prosecution and Police Litigation - Stephen R. Lewis, and Gerald D. Reilly

D. Zoning Board of Appeals - Roland A. Baroni, Jr. And Gerald D. Reilly

Re: Retention For Legal Services

Dear Supervisor Morrissey:

This will confirm the Town of Somers’ retention of the law firm of Bond, Schoeneck & King, PLLC (“BS&K”) as special labor and employment counsel effective January 1, 2018.

It is understood and agreed that if requested to represent the Town in any matter, such services shall be provided at the rate of $255 per hour for any partners’ time and $200 per hour for an associate’s time for professional time actually expended. Time will be measured in units of one-tenth of an hour.

The Town will also be responsible for reasonable costs and expenses incurred. Such costs and expenses will include charges for messenger services, air couriers, emergency secretarial overtime, photocopying, court fees, travel expenses, postage for large mailings, long distance telephone calls, computerized legal research, investigative searches and other charges customarily invoiced by law firms in addition to fees for legal service.

Time records for hourly billing will be submitted and payments will be due on a monthly basis. Printouts of how the actual time was expended will also be provided with the bills if you so desire. The Town shall advise us of any differences it may have with any invoice within 30 days of the date of invoice. The Town shall pay the undisputed portion of any invoice within 30 days of receipt of such invoice.

The Town may discharge us at any time. We may withdraw at any time with the Town’s consent or for good cause without the Town’s consent. Good cause includes the Town’s breach of this agreement (including the Town’s failure to pay any statement.
when due), refusal or failure to cooperate with us, or any fact or circumstance that
would render our continuing representation unlawful or unethical.

Any disputes over fees that cannot be resolved may be subject to arbitration pursuant to
Rule 137 of the Rules of the Chief Administrator of the New York Courts.

This constitutes the entire understanding between us regarding the Town’s engagement
of BS&K. By executing this agreement, you acknowledge that you have read carefully
and understand all of its terms. The agreement cannot be modified except by further
written agreement signed by each party.

If you have any questions about the foregoing, please call me. If you are in agreement
with this arrangement and it accurately reflects your understanding of the Town’s
retention of BS&K, please execute this letter and return it to me and retain a signed
copy for your records. If not, kindly contact me immediately.

Very truly yours,
