## Parent/Camper Contract

I have read the [parent handbook](#) and understand it fully. Any questions I may have had regarding this program were discussed with the Recreation Office prior to signing this contract.

I have read the “**behavior and discipline**” sections of the handbook and have discussed its contents with my child. We are both aware of the consequences for misbehavior and acknowledge that any action that results in dismissal from camp will not be refunded.

I have read the “**cell phone**” section and discussed it with my child. We are both aware if a cell phone is used inappropriately it will result in loss of trip privileges. We are aware the Recreation Department and the Town of Somers **will not be responsible for any damages or loss of any personal equipment.** The camp staff will not be responsible for their safe-keeping.

I \_\_\_\_\_ have read and understand the above policy.
