

GOLD COAST AIRPORT

## DOMESTIC ARRIVALS GUIDE

---

Hello. This book is a guide on what to expect, and how to prepare for your domestic arrival at Gold Coast Airport.

When you disembark at Gold Coast Airport, remember to take all your belongings with you. If you leave anything on the plane, you cannot go back for it.

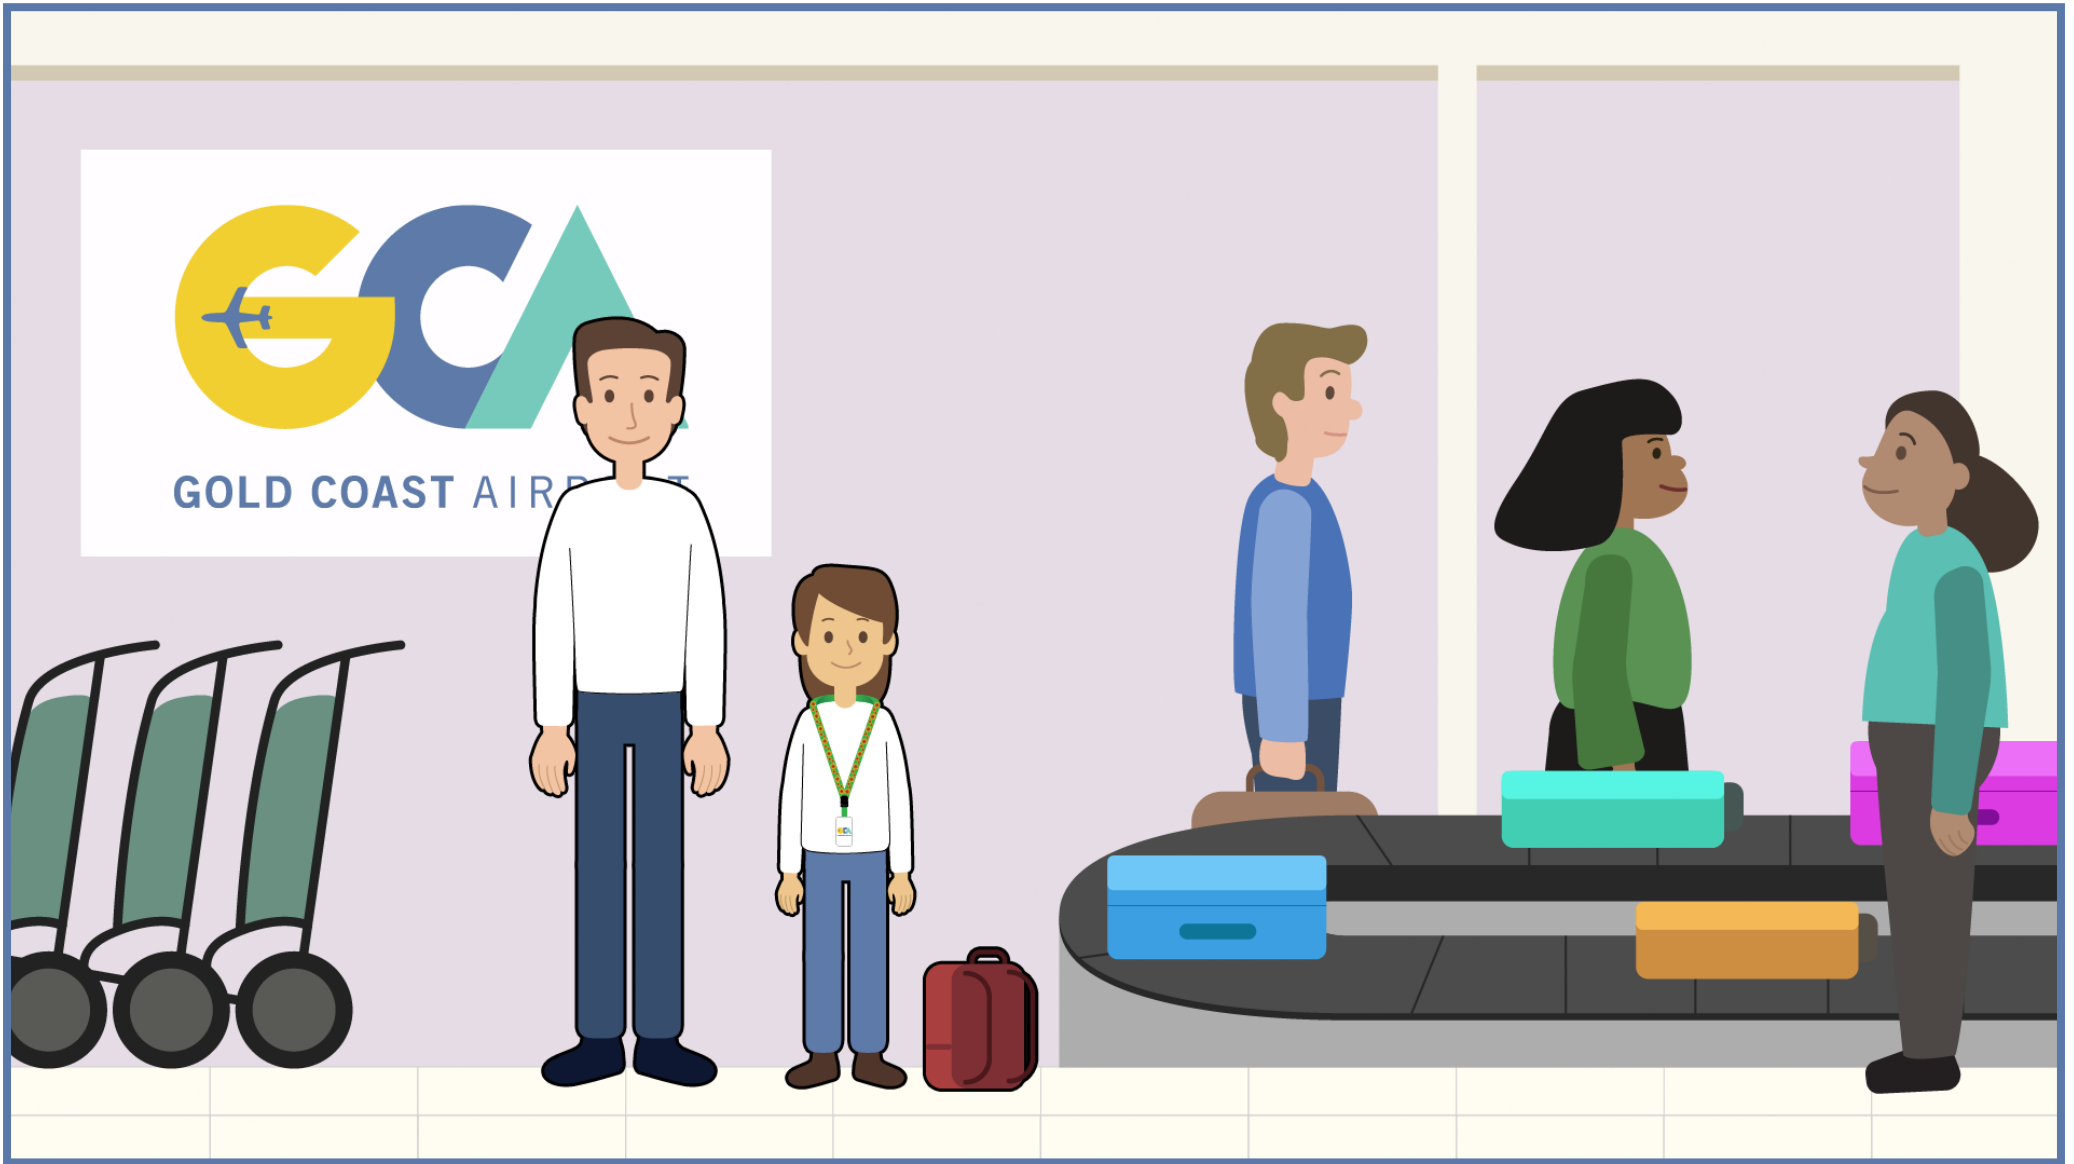

Walk down the stairs or ramp and onto the tarmac.  
The tarmac is noisy, and you may smell fumes from the plane.

Enter the terminal. If you left anything on the plane, talk to an airline staff member.

You will be walking through a food court. It is noisy and bright with different smells like food cooking. Follow the signs to 'baggage claim' to get to the exit.

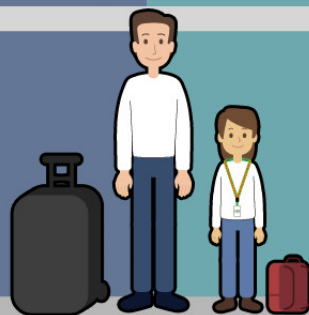

If you have checked-in any bags, you should go to the baggage carousel to collect them. It can be very busy at the baggage carousel.

If you cannot find your bag or need assistance with larger items like prams and surfboards, speak to a GCA ambassador or airline staff.

You can now leave the airport.

Remember, if you are ever unsure of what to do, or become overwhelmed at Gold Coast Airport, talk to a help desk, GCA ambassador or airline staff member for assistance.
