

AIRSIDE DRIVING LOG – OPERATIONAL STAFF

****Please note, Practical ADA testing must be booked prior to sitting your ADA Theory test. This can be booked via: <https://outlook.office365.com/owa/calendar/QueenslandAirports@qldairports.onmicrosoft.com/bookings/>**

Testing is held at Gate 1, Tower road, with the Gold Coast Airport Aerodrome Reporting Officers. You will need to present with your completed Log hours sheet and current state driver's license.

Prior to sitting the ADA Practical test, new applicants must have completed the following minimum hours:

ADA License Category

CAT 1 and 2	2hrs observation + 2hrs being observed (total 4hrs)
CAT 3	4hrs observations + 4hrs being observed (total 8hrs)
CAT 4	5hrs observations + 5hrs being observed (total 10hrs)

License Class

Night Endorsement (N) 3hrs observation + 3hrs being observed 6hrs (total 6hrs) **IN ADDITION** to the above requirements.

Perimeter Area and Roads (P) 1hr observation + 1hr being observed (total 2hrs) **IN ADDITION** to CAT 1 and 2 requirements.

Airservices Australia Area (T) N/A

***IMPORTANT TEST CONDITIONS**

- Theory Component – Failure of the theory test will result in a 48 hour wait period before being able to re-sit the test.
- Practical Component – Failure of the practical test will require an additional 50% of the initial observed hours to be completed before being able to re-sit the practical test.
