

Banking and Real Estate

Our banking and real estate attorneys provide expert legal counseling based on years of experience in a wide range of financing arrangements:

- Conventional Mortgage
- Complex Commercial Loans
- Real Estate Transactions
- Sale and purchasing of small businesses, large hotel resorts, shopping centers, condominium developments, and industrial properties.

The insight we have gained in overseeing numerous negotiations, documentation of banking and real estate transactions have provided us with a unique perspective of how to review and analyze each transaction. At Watanabe Ing, we recognize that each transaction is important to our clients' success, therefore we go beyond the mechanics of a transaction to provide expert insight ensure our clients' best interests are furthered and protected.
