

## **Government and Regulatory Affairs**

**Watanabe Ing specializes in representing clients before county, state and federal legislative and regulatory bodies, agencies and commissions.**

Our professionals in the Government and Regulatory Affairs Group have maintained long-standing relationships with companies regulated by Hawai'i's Public Utilities Commission, Department of Commerce and Consumer Affairs, Campaign Spending Commission, State Ethics Commission, Water Commission, Department of Health, and numerous other administrative agencies. We maintain close contact with regulatory boards, commissions and their staff in order to keep apprised of the constantly-changing administrative and political landscape.

For over forty five years, Watanabe Ing has been privileged to represent numerous companies in successfully achieving their objectives in Hawai'i's regulatory environment.

The following are representative areas that we have assisted clients with:

- PUC approvals and rate cases
- Campaign Finance Compliance
- Entitlements
- Regulatory Compliance
- PAC Reporting
- Site Acquisition, Infrastructure Development and Leasing
- Telecommunications
