

LITTLE HALDENS, GOMM VALLEY DESIGN & ACCESS STATEMENT

OUTLINE PLANNING APPLICATION

THE ROLE OF THIS DOCUMENT

This Design and Access Statement describes the proposals for the Little Haldens project in the Gomm Valley, High Wycombe in support of the outline planning application. It describes: the overarching project vision; the design and consultation process to date; the wider project context; the masterplan framework; landscape design; access and movement strategy; layout and built form. The document concludes with a section describing how the project will be delivered and how the Gomm Valley will be maintained and preserved into the long term future.

CONTENTS

1.0 INTRODUCTION	01	7.0 EVOLUTION OF THE DESIGN	65
1.1 Introduction	04	7.1 Development Brief	65
1.2 Design principles	06	7.2 Strategic Review	67
2.0 PROPOSAL SUMMARY	09	7.3 Human+Nature's Six Principles of Remarkable Places & Communities	68
2.1 Application Site & Context	10	7.4 Iterative, Interdisciplinary Design	70
2.2 Summary of Development Proposals	10	7.5 Design Development	71
3.0 VISION	13	7.6 Cost Plan, Appraisal & Viability	72
3.1 Vision	15	7.7 Masterplan & Parameters	73
3.2 The Process	16	7.8 Evolution of the Masterplan	74
3.3 Illustrative Masterplan	18	8.0 MASTERPLAN FRAMEWORK	77
4.0 PLANNING POLICY CONTEXT	21	8.1 Introduction	79
4.1 Planning History	22	8.2 Topography, Hydrology & Geology	81
4.2 Planning policy / Development Plan History	22	8.3 Green Infrastructure	83
4.3 Gomm Valley & Ashwells Development Brief	24	8.4 Movement Network & Ashwells Lane (Spine Road)	85
4.4 Development Plan Policies	26	8.5 Structure of Place - Three Character Areas: The 'Villages'	87
4.5 Emerging Development Plan & Supplementary Planning Guidance	27	8.6 Land Use & Housing Choice	89
4.6 Comparison with the Previous Masterplan	28	8.7 The Social Dimension	91
5.0 GEOGRAPHICAL CONTEXT	31	8.8 Specials	93
5.1 Site & Context	32	8.9 Materials & Aesthetic	95
5.2 Locality	34	9.0 DESIGN	97
5.3 Local Context	36	9.1 Landscape Strategy	101
5.4 Topography	38	9.2 Access, Movement & Parking	121
5.5 Landscape & Ecology	39	9.3 - 9.5 The Villages	149
5.6 Historic Context	40	9.3 Orchard Village	151
5.7 Historic Field Names	42	9.4 Hillside Village	177
5.8 The site Today	44	9.5 Urban Village	213
5.9 Site Constraints	47	10.0 ENERGY & WASTE	257
5.10 Site Opportunities	49	10.1 Energy & Waste Strategy	258
6.0 INVOLVEMENT	51	10.2 Energy	259
6.1 Introduction	52	10.3 Waste	262
6.2 Community Design Event	54	10.4 Waste Management	265
6.3 Involvement in Historic Place Names	57	11.0 DELIVERY	267
6.4 Ongoing Consultations	57	11.1 Delivery	269
6.5 Public Exhibition	58	11.2 Sequencing & Programme	270
6.6 Issues & Actions Arising: A Summary	59	11.3 Design Principles & Materials	274
		11.4 Long-Term Management	277
		12.0 PARAMETER PLANS	281
		12.1 Introduction	283
		12.2 Land Use	285
		12.3 Building Heights	287
		12.4 Residential Density	289
		12.5 Green Infrastructure	291
		12.6 Access & Movement	293
