

## **PLAYGROUND EQUIPMENT - TEMPORARILY CLOSED**

The City of Burburnett values the health and wellness of those enjoying our parks and playgrounds. Health officials recently shared evidence that the novel coronavirus can survive on hard surfaces, like playground equipment. To help prevent the spread of COVID-19, the City has closed all playground equipment within city limits until further notice. Other amenities, such as walking paths will remain open; however, residents should continue to practice social distancing and avoid gathering in large groups.
