TPA Vice President Candidate Statement

Dr. Martin Luther King Jr. said, "Life's most persistent and urgent question is, 'What are you doing for others?'" As a principal and TPA Board Member, I continually ask myself this as I have served alongside many gifted and talented principals from across our great state. As we unite under the common goal of student success, I pledge to be an advocate for the voice of the principal while ensuring we all have the supports we deserve in order to meet the evolving needs of our students. I would be honored to represent you as TPA Vice President.
