Our mission is to support, empower, and connect Tennessee Principals.

Founded in 1939 as a support system for Tennessee school leaders, the Tennessee Principals Association (TPA) has evolved as the premier professional association for K-8 Tennessee principals as well as district leaders. As a “joint state” with the National Association of Elementary School Principals (NAESP), annual membership fees include both state level and national level dues for K-8 principals.

Ready to join? Visit

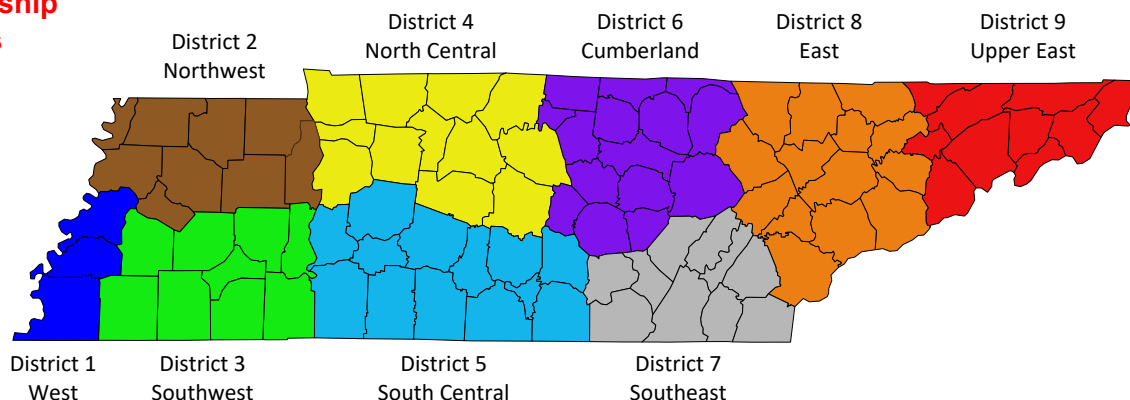

www.tnprin.org/membership to contact your District Representative, who will be happy to answer any questions you may have.
