

Protect 8 Hand Sanitizer and Germ Guard

Protect 8 hand sanitizer products are the next generation of hygiene technology. They are alcohol and perfume-free and contain a skin emollient that will not damage the natural oils.

The Protect 8 Advantage

- FDA compliant, CDC accepted
- Will not sting or dry hands
- Odor free
- **Long-lasting** foaming formula increases wet contact time
- Powerful. No other FDA compliant hand antiseptic claims more
- More cost-effective than alcohol-based solutions
- Available in personal sprays, room foamers and automatic dispensers
