# USED LIST

This used list is used by our staff internally.

We post it on Mondays and Thursdays.

This may result in some items appearing as available when they have been sold between these two periods. For more accurate information please contact us using the information provided below.

**Report Date:**

02/06/2020

**To Note:**

Descriptions are abbreviated because they are from our 'back-office' inventory system and meant for internal-use and therefore not fully "user-friendly".

Items shown here were in stock on the morning of the report's date.

Contact us to check current availability as items may have sold since this report was run.

The item in stock may only be available in one of our seven stores. In most cases, we can transfer an item to any of our stores within one to three business days.

Items marked "reserve" may be on hold. Please contact us to check availability.

Item marked with two asterisks \*\* indicate that it is an item that regularly comes into stock and may have more than one in stock available.

Also, many new items are required to be held for a month before we can sell them, as required by some municipalities' bylaws. These items are included here. We can accept deposits to hold an item for you until the police allow us to release it for sale.

**Contact Us:**

For more product information, to order, to find out which store the item is in, to request a transfer to another store, or to confirm stock availability,

please call us at [604-263-3221](tel:604-263-3221) or toll-free at [1-866-310-3245](tel:1-866-310-3245) or email us: [info@kerrisdalecameras.com](mailto:info@kerrisdalecameras.com)
