

Keith Huebner

-Offensive Line Coach-

Hello, my name is Keith Huebner and I will be the Offensive Line coach for the lineman clinic this winter at the Strength, Fitness, and Speed facility. First, let me tell you a little about myself. I played locally here at Baldwin High School where I was an All Conference and 2nd Team All State player. After high school I went on to play football for the University of Akron where I received a full athletic scholarship. While at Akron I was a part of the 2005 MAC Championship football team as well as a 3 time letter winner. After college I started my coaching career, serving as the offensive line coach for multiple schools. I spent 3 years at Carlynton High School, 1 year at Canon-McMillan High School and the last 5 years at Bethel Park High School. In 9 years, I have had coached multiple All-Conference players and I have coached multiple player that have gone on to play in college; 2 of which have gone on to play major Division 1 football.
