

Kuyilappalayam Higher Secondary School, Auroville

"The magic in new beginnings is truly the most powerful of them all"

Kuyilappalayam School is extremely elated to begin our new academic year **2023 - 2024** on **12th June'23**.

The excitement of new hopes and plans and the sense of satisfaction in the last academic year, having excelled in academics by giving **100% pass results** in Board Exams with **District and State ranks**, providing wonderful platform for co-curricular activities and producing **district and state champions in sports** was seen on everyone's cheerful faces.

Infrastructure

"The atmosphere defines the environment of sound"

Attractive paintings of the class rooms and the furniture welcomed the students colourfully. Additional desks and furniture was made for the new academic year to meet out the needs of the students' strength.

The Strength

The best outcome of the last academic year was seen in the students' admission and the strength aroused to **2393** students. To facilitate excellent teaching learning scenario , additional teachers were recruited and the school is blessed with **93** professionally trained and dedicated teaching staff.

Workshops and Virtual Seminars

"The learning of learners", Current trends of teaching and learning necessitates a regular updating of teachers. Our teachers strived to stay updated by attending various virtual seminars , workshops and training programmes in the month of May'23.

Our Academics

Activity based learning is one of the key objectives of Kuyilappalayam School.

Our teachers make the students enjoy learning by teaching through demonstration with their own preparation of **teaching aids**, involving students in activities by facilitating digitised slate for kids, brain storming pad, puzzle board, hologram, etc., which gets fired among the students in the very beginning itself.

Additional smart projectors in a big screen was set up separately for Higher secondary, High school and primary classes which ensures high concentration and learning through visualization. And portable smart TV is also used for easy accessing.

Thus, the academics from **Primary to High Secondary classes** sounds by identifying the difficult students, taking remedial steps and **creating more experts** in the subjects and enhance the students' skill in a real life situation.

The school takes great interest in enhancing **English fluency** of the students and awards them with prizes as a token of motivation.

Olympiad Exams:

"We live in an era where strategic thinking and smart work are essential to run the race of life."

Our students are prepared for such skill by exposing them to **Olympiad Exams**. At present **150 students** take training in our school lab by the professional trainer regularly.

"Pattam" - General knowledge quiz:

80 students of our school from High School and Higher Secondary level are getting prepared for **State level quiz** conducted by the **Daily Newspaper Dinamalar** which is supposed to be held in the month of February'24. Every day, our students prepare for the General knowledge questions present in the supplementary issue of the Newspaper, named "**Pattam**". The winners in the contest would make a visit to **ISRO**.

Co- Curricular activities

"Co-curricular activities in school help to hone the talents of young minds and give them an opportunity to develop their specialized skills."

125 of our students take a great interest in participating **Martial Arts & Yoga classes** which has been organised periodically by the trained professionals from the month of July '23.

Our Celebrations

"Celebrations form an integral part of any educational institution for education is not just about going to school but widening your knowledge and absorbing the truth of life."

International Yoga Day was observed on **21st June'23** and emphasis was laid on the health and harmony that one can attain by practising Yoga. Our students commemorated this event with their wonderful performance.

Education Development Day

With the view to eliminate illiteracy in Tamil Nadu State, the birth anniversary of former **Chief Minister K Kamarajar** is observed as "**Education Development Day**" on every **15th July**.

The need of education and Kamarajar's life history and his reforms on Education was beautifully educated by our students through Skits, mimes and speech in the stage.

76th Independence Day

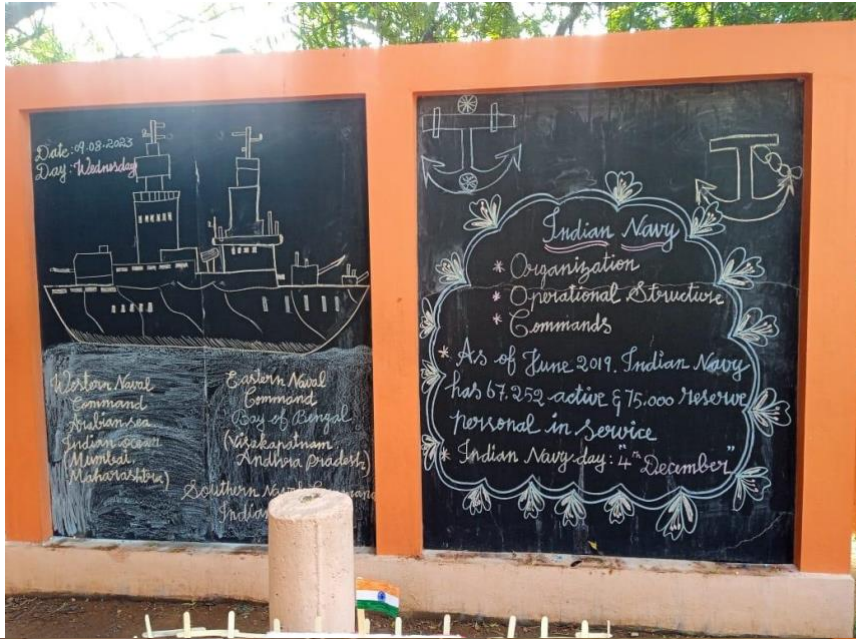

"Patriotism is loving country and being proud of its history and traditions"

To stimulate patriotism in our students, Independence day celebration is a mega eve in our school. For nearly a month from **17th June '23**, our students are educated through Morning assembly on various topics **"Geographical features of India"** , **"Freedom & Constitution"** , **"Human Rights and Responsibilities"** & **"Indian Officials"**

Our students have proven their talents by preparing models and exhibits , extraordinary artistic work at the entrance board and especially tremendous stage performance inculcating patriotism through Skit, Speech, Fancy Dress, Mime,Dance, Singing etc., It's a great thrill and getting good feedback from the well wishers and the parents. **Congratulations to the teachers and the students team!**

Awareness Programme

Eco femme, Auroville organised awareness programmes on women's health and the menstrual cycle for grade 8 girls on 4th August'23.

Sports

“Overpower, Overtake, Overcome say sporters”

Our achievements in sports is the talk of the town every year. This academic year for the first time, 12 students under 19 level participated in **Zonal level Volley Ball match** held on **9th August'23**, conducted by **Education Department of Tamilnadu state** and declared as **Winners** bring laurels to the institution!

With the blessings of the Lord Almighty and with our dedicated team, we would certainly add another feather in a cap, this academic year....
