Environmental Services Associate Paid Training Program

TRAINING PROGRAM INCLUDES:

- How to clean all aspects of the hospital to meet the required safety standards
- How to promote the quality of care that is given to all patients and patients families

PROGRAM DETAILS:

- Five weeks of classroom and hands-on training
- Monday—Friday / 8am—2pm
- Participants are hired as temporary UPMC employees
- Participants are paid \$13 per hour during training program
- Upon successful completion of the training program, participant will be considered for part-time or full-time position with UPMC

Our goal is twofold; to prepare program participants to obtain jobs with sustainable compensation and avenues for career path growth as well as to offer recurrent training to assist participants with the completion of employer required trainings.
