Benjamin Lee Peterson

 From California

Benjamin Peterson The grandson of Dan & Janine McCuskey who went on his first MVPA Convoy with us on TMC 19. He was 8 years old and had an amazing time driving cross country with us from Simi Valley, California to the start of the Lincoln Highway Convoy from the York County Fairgrounds in Pennsylvania following the MVPA National Convention. He's ready to join us again on this year's North Wilkesboro Trail Convoy!! We signed up Benjamin for his MVPA Junior Membership when he was 4 years old along with our 3 other grandchildren when they were 4 years old.

Very Proud MVPA Grandparents,
 Niri and Papa
