

Loop around the Lake

description:

The historic waters of Lake Champlain stretch 120 miles north to south along New York and Vermont, with almost 600 miles of pristine shoreline and 435 square miles of surface area carving through the Adirondack Mountains of New York and the Green Mountains of Vermont, making it one of the largest lakes in the U.S. With 2 states, lots of activity and plenty of lake views, why wouldn't you want to loop around the Lake?

stops nearby:

Livingood's Restaurant & Brewery
Underground Railroad Museum
Baggs' Landing
Northern Orchard

need more?

Give me a call or send me a message if you're interested in building an itinerary that loops around the lake!
