

IMC Clinic Day Expectations

- Residents should regularly check their EPIC Provider Calendar to see which days they are assigned IMC
- Residents are expected to be on site in the IMC from 8:00- 11:30 am for morning sessions and 1:00-4:30 pm for afternoon sessions. Senior patient appointments start at 7:50 and 12:50
- Interns are required to staff every patient with a faculty attending.
- If not busy or having no-shows, residents should ask faculty if they may help other residents who are falling behind. It is the ultimate goal of the clinic day that the best care is provided to our patients and that everyone is able to finish on time, in order to get to noon conference or go home at 5 PM.
- Clinic notes must be signed within 24 hours of the patient visit.
- Box messages should be addressed prior to leaving a clinic session.
