

**Auditor Independence:  
Nonattest Services 2  
June 30, 2020  
12 pm EDT**

Designed for professionals building on an existing base of independence knowledge, this webinar uses case studies and illustrations to examine various types of advisory services to determine whether they would be permissible under AICPA independence rules.

After completing this course, you will be able to:

- Identify activities that create self-review, management participation or advocacy threats to independence, and
- Apply the conceptual framework to assess whether safeguards adequately reduce threats to independence.

Participants will earn 1.5 CPE credits

Field of Study: Regulatory Ethics

Prerequisites: Understanding of the AICPA independence rules for performing nonattest services

Who should attend: CPAs and others who need in-depth knowledge of the independence rules

Advance preparation: None

Program Level: Intermediate

Delivery Method: Group Internet Based
