## A Way to Say "Thank You"

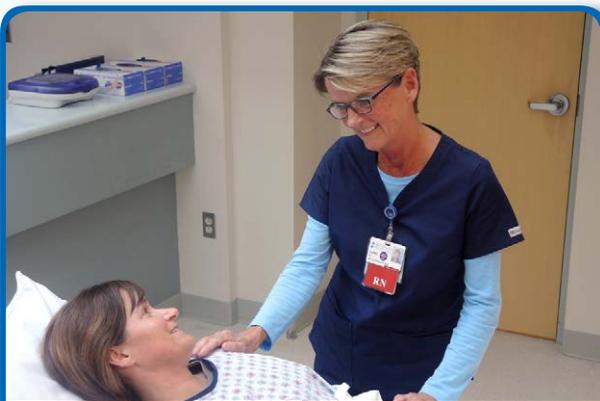

There are dozens of ways that members of Salem Regional Medical Center's (SRMC) health care team make a difference in the lives of our patients. If you are grateful for the care you received or the treatment your loved one experienced, or if you wish to honor the memory of a family member or friend who received care at SRMC, our Grateful Patient Program offers a significant way to say "Thank You," and the opportunity to recognize a caregiver who has made a difference along your health care journey. When you make a donation to the Grateful Patient Program, you will be helping the SRMC Foundation invest in our region's health.

## Honoring Everyday Heroes

If you would like your gift to honor an outstanding physician or staff member, that caregiver will receive a special "Honored Hero" emblem to wear on his or her badge, along with notification of your gratitude. (Please be assured that the actual amount of your gift will not be disclosed. In addition, if you choose for your donation to be made anonymously, we also will not share your name.)

## Making a Difference

SRMC is an independent, not-for-profit hospital, celebrating over a century of caring for the people of our region. Since 2010, the SRMC Foundation has played an important role in raising funds to support the needs of our communities.

Your gift of appreciation to the Grateful Patient Program helps the SRMC Foundation invest in our region's health through its support of our state-of-the-art services, technologies and facilities for our patients. If you are looking for a way to express your gratitude for the excellent care you or a family member have received, The Grateful Patient Program is a meaningful way to make a lasting difference that will help others receive outstanding care.
