GEOFFREY LEWIS, AIA JOINS ARCHITECTURE, INCORPORATED AS TECHNICAL DIRECTOR

Depth of Experience will Complement Firm's Growing Institutional and Commercial Practices

Reston, VA (March 6, 2017) – Geoffrey Lewis, AIA, LEED AP has joined the growing Reston, VA office of Architecture, Incorporated as Technical Director. In this newly created role, Lewis will focus on document quality, standards, life-safety review, specifications, peer review, and in-house staff mentoring. He is a recognized expert in building codes, building science, and contract development; and will act as an additional resource for the firm's institutional and commercial studios. Lewis joins with more than 35 years of professional experience, and was most recently a Director at DBI Architects.

Senior Vice President Rusty Shaw, AIA says of Lewis, "The addition of Geoff Lewis will be an asset to both our clients and staff, and reflects the growing complexity of our projects and continued commitment to the highest standards of client service. We are pleased to welcome him to our growing practice."

Lewis is a registered architect licensed in the Commonwealth of Virginia, District of Columbia, and States of Maryland and Florida. He is also a professional member of the American Institute of Architects (AIA), a LEED Accredited Professional, and is NCARB Certified. He serves as an ICC Certified Plans Reviewer and a Peer Reviewer for Fairfax County. Lewis is a graduate of Carnegie-Mellon University where he received a Bachelor of Architecture.

About Architecture, Incorporated

Founded in 1986, Reston, VA-based Architecture, Incorporated is a 60-person, award-winning planning, architecture, and interior design practice that is united in the belief that as trusted advisers and design leaders, we reach beyond the predictable to turn vision into reality while solving complex challenges for public, private, and government clients—improving quality of life through the built environment. Our projects range from complex renovations to new construction for commercial, hospitality, education, healthcare, senior living, multifamily, and sports and recreation clients across the region. This wide range of design experience and core value of client service has made Architecture, Inc. recognized as one of the most prominent firms in the Washington, DC metropolitan area.
