

BALLINGER MEMORIAL HOSPITAL DISTRICT
FLU VACCINE ADVISORY
<https://www.ballingerhospital.org/public-notices>

Ballinger Memorial Hospital District (BMHD) announces early availability of Flu Vaccines. Due to an unusual number of flu cases being diagnosed earlier than the typical beginning of flu season, BMHD is making flu shots available beginning immediately **for persons 36 months and older**. Both the regular and high dose vaccines (for those over 65 or at the recommendation of your healthcare provider) are included. Vaccines are available during regular business hours at Ballinger Hospital Clinic, 2001 Hutchins Avenue, Suite C. For those with health insurance, there is no cost for a Flu Vaccine. Persons who are not insured will need to pay a \$25 fee. Please note that BHC has expanded its regular business hours:

Monday	8:00 AM to 5:00 PM
Tuesday	8:00 AM to 6:30 PM
Wednesday	8:00 AM to 5:00 PM
Thursday	8:00 AM to 6:30 PM
Friday	8:00 AM to 5:00 PM
Saturday	8:00 AM to 12:00 PM (1 st & 3 rd Saturdays of each month)

No appointment is necessary for a Flu Vaccine but please be aware that forms for each person being vaccinated must be completed upon arrival and a wait time may occur due to the number of ongoing healthcare needs. For those taking an early Flu Vaccine, a booster may be required in a few months.

IMPORTANT INFORMATION:

Please make sure all persons visiting Ballinger Hospital Clinic for a flu vaccine are feeling well and have no infection of any kind. Vaccines cannot be given to sick individuals.
