

## **Barnsley Youth Choir Safeguarding Policy (Revised January 2017)**

### **1. Policy Statement**

**1.1** Barnsley Youth Choir (BYC) acknowledges it has a responsibility for the safety of all children and young people involved in all of its activity and wants to provide a safe and secure environment in which children and young people flourish and feel comfortable. It also recognises that good safeguarding and child protection policies and procedures are of benefit to everyone involved with BYC's work. BYC believes that it is always unacceptable for a child to experience abuse of any kind and accepts its duty of care to safeguard the welfare of all children, by committing to practices that protect them.

**1.2** The following principles underpin BYC's approach to safeguarding and child protection.

- The welfare of the child/young person is paramount
- All children, regardless of age, disability, sex, racial heritage, religious belief, sexual orientation or identity have the right to equal protection from all types of harm or abuse
- Working in partnership with children, their parents, carers and other agencies is essential in promoting young people's welfare.

**1.3** A child is defined in law as a person up to the age of eighteen years. Therefore the term `child` is used throughout this policy and procedure and this includes young people.

**1.4** For the purpose of this policy, it applies to volunteers in any capacity.

### **2. Purpose of Policy and Procedure**

**2.1** The purpose of this policy and the accompanying procedural instructions is to ensure that all volunteers:

- Are clear about how to identify and respond to safeguarding concerns about children
- Have a clear understanding of the principles and practice involved in the safeguarding and protection of children
- Understand the importance of prevention in responding proactively and efficiently to all concerns.

**2.2** The procedural instructions which accompany this policy will provide information for children participating in BYC events on the responsibilities of, and approach taken by, BYC in the protection of children.

**2.3** The policy will ensure that participating groups, young people and volunteers understand that if abuse is disclosed, the information may not remain confidential and that BYC will report it to the appropriate person.

### **3. Context**

#### **3.1 It is BYC`s policy that:**

- All volunteers working on behalf of BYC accept that the welfare of children who come into contact with BYC in connection with its tasks and functions is paramount, and that they will report any concerns about a child or somebody else`s behaviour using the procedures laid out in the accompanying procedural instruction.
- Parent`s, carers and children will be made aware of this policy and accompanying procedural instruction.
- There is a Safeguarding Lead with overall responsibility. This individual or another with the role of Trustee (Deputy Safeguarding Lead) is present at every event within BYC and will take action following any expression of concern.
- The lines of responsibility in respect of child protection are clear.
- All BYC volunteers are issued with a copy of the `BYC Safe and Sound Safeguarding Procedures` document and they will adhere to the policy at all times.
- Information relating to any allegation or disclosure is brought to the attention of the Safeguarding Lead or Deputy Safeguarding Lead as soon as possible. The information will be clearly recorded and acted upon at the earliest opportunity. The procedure for recording the information is contained within the accompanying procedural instructions.
- Legislation states that the `welfare of the child is paramount`. This means that considerations of confidentiality which might apply to other situations should not be allowed to over-ride the right of children to be protected from harm. However, every effort should be made to ensure that confidentiality is maintained for all concerned when an allegation has been made and is being investigated.
- A culture of mutual respect between children and those who represent BYC in all its activities will be encouraged, with adults modelling good practice in this context
- All volunteers within BYC will be appropriately vetted.
- All children and young people will be issued with a document entitled *“BYC Choir Members – what we expect from our Children and Young People”* which will outline to members and their parents/carers the standards expected by all choir members.

#### **4. Adoption and review**
