

Preferred Protection Roofing System Limited Warranty*

Strong coverage for your roofing system.

Protect your investment

A healthy roof consists of many parts. With the Owens Corning Roofing and Asphalt, LLC ("Owens Corning") Preferred Protection Roofing System Limited Warranty,* every Owens Corning® component — including installation — of your Total Protection Roofing System®^ is covered by an extended warranty, **including a 10-year warranty* on workmanship⁶ coverage.** It's a smart way to help ensure your investment is protected for years to come.

Peace of mind

The Preferred Protection Roofing System Limited Warranty* has up to a 50-year "non-prorated" period for both material defects and the labor to repair or replace them, whereas many standard warranties have a 10-year non-prorated warranty period. With the Preferred Protection Roofing System Limited Warranty,* you can rest easy knowing you have this extra coverage for a longer period of time.

In addition, you will receive 10 years of workmanship⁶ protection. Meaning, if your roof is found to have an application error, Owens Corning Roofing will arrange to have it repaired, with labor, materials, tear-off and disposal costs all covered. Owens Corning Roofing and Asphalt, LLC, stands behind your roof for years to come.

Coverage

The Preferred Protection Roofing System Limited Warranty* provides coverage for both material defects and the labor to repair or replace them, including tear-off and disposal. Additionally, every Owens Corning® roofing component, except the electrical components of the VentSure® Solar Attic Exhaust Fan, and VentSure® off-ridge exhaust vents, take on the warranty of the shingle installed, in many cases, extending their warranty period. The Preferred Protection Roofing System Limited Warranty* does not cover non-Owens Corning® roofing components such as flashing, fasteners or wood decking.

One-time transfer*

Whether you're staying in your home for years to come or planning to sell, the Preferred Protection Roofing System Limited Warranty is transferable,* making it an excellent investment. If you're planning to sell, this warranty may provide a highly desirable benefit to future homebuyers.

Requirements

To be eligible for the Preferred Protection Roofing System Limited Warranty,* you must purchase and install Owens Corning® shingles and at least four of the following Owens Corning® roofing components (one product from each category where applicable):

- WeatherLock® Self-Sealing Ice & Water Barrier products
- Owens Corning® Underlayment products: FIBERGLAS™ Reinforced Felt, ProArmor® Synthetic Roof Underlayment or Deck Defense® High Performance Roof Underlayment
- Owens Corning® Starter Shingle products
- Owens Corning® VentSure® Ventilation products: If a VentSure® product is used it must be part of a balanced air ventilation system consisting of both functional intake and exhaust ventilation products. If a VentSure® intake vent AND VentSure® exhaust vent are both used, this will count as one of the four requirements previously mentioned.
- Owens Corning® Hip & Ridge Shingles

In addition, you must meet the following requirements:

- An Owens Corning Roofing Preferred or Platinum Preferred Contractor must install your roofing system and adhere to local building codes.
- Your roofing system must be installed over a clean roof deck with all existing roofing material and debris removed.*
- You must use any Owens Corning® FIBERGLAS™ Reinforced Felt, Owens Corning® ProArmor® Synthetic Roof Underlayment or Owens Corning® Deck Defense® Underlayment which will count as one of the above four Owens Corning® roofing component requirements.

This warranty must be registered by you or the Owens Corning Roofing Platinum Preferred or Preferred Contractor with Owens Corning within 60 days of the installation.
