Hey parents! Take some time this week to go through these discussion questions with your child. This will help reinforce this week's teaching objective, which is "I will show grace to everybody." Showing grace is when we give someone a gift they didn't deserve. Jesus wants us to show grace to everybody, even when we don't want to. We can show grace by being kind to others, even when they aren't kind to us. We should always show grace to everybody because Jesus chooses to shows us grace daily!

1. Who should I show grace to?
2. How can I show everybody grace?
3. Who chooses to always show me grace?
