

Fostering HOPS 2020

Thursday, September 17, 2020
A Virtual Watch Party

Thank you for your previous support of Fostering Hope and our annual event, Fostering HOPS. We hope you will consider maintaining your sponsorship level of \$5,000 in 2020.

Fostering Hope is still helping children in foster care and residential treatment. Our kids are adversely impacted by this crisis as most are already suffering emotional challenges. We need your help to continue supporting their needs and giving them reasons to be hopeful for their futures.

A party with purpose: This year, Fostering Hope is hosting our 5th annual fundraising event, Fostering HOPS. Typically, Fostering HOPS is a block party to celebrate and bring like-minded sponsors and advocates together for an evening of relaxed fun. This year, HOPS is going virtual!

Based on your social distancing comfort level – attend as an individual or gather with a small group of friends at home. Either way, we will meet up in our event platform!
