

STUFF THE STOCKING STOCKING DRIVE

Holiday Gift 'n Greet

The holiday season can feel lonely and isolating for a child who can't be with their family, especially when a global pandemic places limitations on family visits. Giving a stocking is one way you can help a child experience joy during this time.

Host a Stuff the Stocking Party

Gather your family + friends and collect the items below to fill stockings. Each is valued at \$25-\$35.

Or save and purchase enough supplies for 12 stockings from our Amazon wishlist: <https://a.co/iqwdoDe>

Assemble and drop off stockings at our donation center by 12/3/20. Fostering Hope's elves will then deliver stockings to foster children across Cleveland.
