

Covid19 Safety Protocol:

We cannot wait to party with a purpose with you all at Fostering Hops next week! We are thrilled to bring back the in-person event this year. Given the continued presence of COVID-19 in our community, we are putting in place various safety measures and protocols to allow for an in-person event to celebrate the youth we serve at Fostering Hope. We ask that all attendees please review the below protocols for our Fostering Hops event on Thursday, October 14th.

Fostering Hops will be held indoors at the Market Hall at Van Aken. Weather permitting, the garage doors will be open and attendees will be able to utilize the outdoor patio space as well, which will be outfitted with outdoor heaters. All attendees will be required to wear a mask when indoors. Masks may only be removed when you are actively eating or drinking. When outdoors, masks may be removed where active distancing can be maintained, we recommend the CDC guideline of 6 feet.

Please abide by the CDC recommendations of good hygiene including regularly and thoroughly cleaning your hands, avoiding touching your eyes, nose and mouth, and covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Additionally, we ask that anyone experiencing any symptoms not attend the event.
