'PICNIC IN THE VINES'

OUR COVID-19 PLANNING AND POLICY

This is for your health and safety and that of our staff.

We kindly request that you read and adhere to them so that we can all safely enjoy this unique Squerryes offering.

Squerryes Rules & Policy

Picnic pitches will be cleaned and sanitised between use

Picnic boxes are packed in a sterile environment which is frequently cleaned

All packaging is destroyed and not re-used (almost all of our packaging is ethical), except for glasses, which we feel are required for Squerryes! All glassware will be thoroughly cleaned after use.

Any staff who have shown signs of Covid-19 symptoms will go into isolation

We need you to:

Keep 2 metres apart from all non-family members at all times

Use hand sanitiser before entering the site and if you go to the toilet

Stay within the roped area of your picnic pitch

Please respect the antiquity of the furniture – it's from Squerryes Court and may not be as strong as new furniture, though we like it!

Follow the signs and walk only on the mown paths

Be mindful of others on site and keep a 2 metre gap at all times

Please keep an eye on your children. For families at the 'Head of the Vines' you are welcome to roam in the vines, but beware that there are wires, spikes and trip hazards

Children are not allowed in or near the stream

Please drive slowly on site
