‘THE TERRACE’

OUR COVID-19 PLANNING AND POLICY

This is for your health and safety and that of our staff.

We kindly request that you read and adhere to them so that we can all safely enjoy this unique Squerryes offering.

If you are shielding please let us know and please advise us of any further precautions which you require.

We have chosen not to wear masks, but are taking many other steps to ensure a safe environment:

Squerryes Procedures & Policy

Our tables and chairs will be cleaned and sanitised between uses

All glassware, cutlery and crockery are cleaned, sanitized and polished before use

Menus are single use and disposed of after use

The kitchen and prep areas are regularly monitored and cleaned

Staff are allocated specific roles and shifts to manage their overlap

We have reduced the number of surfaces touched by both staff and customers

Any staff who show signs of Covid-19 symptoms will go into isolation immediately

Staff will have their temperatures measured every morning when they arrive

There will be no standing areas on the terrace, other than at the reception

There will be increased spacing between tables

We have created staggered booking and arrival times to minimise queues and therefore not causing a risk to individuals

All payments are cashless

We will keep a record of all guests for 21 days to enable track and trace should it be required of us

We need you to:

Keep 1 metre plus away from all non-family members at all times

If you are accompanied by children, you are responsible for supervising them at all times and should follow social distancing guidelines. Equally children are not allowed in or near the stream.

Use hand sanitiser before entering the site

If you go to the toilet please make sure you wash your hands and sanitise them – we have provided sanitiser dispensers and hand washing facilities on site

Be mindful of others anywhere on site and keep at least a 1 metre gap at all times

Ensure that members of your booking are limited to members of any two households (or support bubbles), or a group of at most six people from any number of households

If you or any of your party show Covid-19 symptoms we kindly ask that you postpone your booking
