## Squerryes

(Vg | V)

We use only fruit grown on the chalky south-facing slopes of our North Downs Estate, handpicked at harvest taking only the ‘coeur du cuvée’ at press to create our unique wines. We respect the Traditional Method and allow a minimum of four years ageing to make a bottle of Squerryes Brut.

All of our vintages so far have won national or international awards. In the spirit of Squerryes Estate’s “Licet Esse Beatus” – we hope that they give you pleasure.
