The Terrace Restaurant Wine List

“In many ways opening up this wine list gives a glimpse into our heart and soul. We reserve a bit of every Squerryes vintage produced for you to try, but we don't produce still wines (because we only back ourselves to make world class sparkling wines on our terroir).

The still wine list showcases our convictions about what good wine should be; wine made with passion, in exceptional terroir by great people - many of whom we are proud to call our friends and colleagues.

This recently updated wine list is the culmination of many hours of discussion and argument between us both and rather a lot of additions and revisions. We set out to make this list as short as possible (who wants a tome of a list?) and to distil it into wines which we are happy to put our names to – we're still delighted to put our names to these wines, but have added a few.

Whether you go for an old favourite or march into territories new, a light white or a blockbuster red, we hope you will enjoy whatever you choose as much as we do”.

Henry Warde, owner of Squerryes

Laura Evans, Master of Wine

Squerryes

(Vg | V)

On the 2,500 acre Squerryes estate, high on the North Downs in an Area of Outstanding Natural Beauty, sits our chalk-rich vineyard. At 150 metres above sea-level we are 1 degree Celsius cooler than other vineyards in the south-east of England giving us a long cool summer. Our vines flourish in this longer growing season, producing fruit that has the perfect balance of natural sweetness and acidity. And it is only this fruit that we use in the making of our sparkling Squerryes.

All our wines are vintage wines made using the 'traditional method', or as we now call it the 'Great British Classic Method', with two fermentations, the second in the bottle.

We are proud to be the only English wine estate to have won a **gold medal for five consecutive vintages in the World Championships of Champagne and Sparkling Wine**. In 2021 we also won the '**Best English Sparkling Wine**' Trophy in the International Wine Challenge and '**Best in Show**' in Decanter's World Wine Awards, recognising our wines in the top 50 in the World.

In the spirit of Squerryes Estate's "Licet Esse Beatiss" – we hope that they give you pleasure.

Capitel Croce IGT Anselmi, Veneto, Italy, 2019 (Vg | V)

Roberto Anselmi is so passionate about the quality of his wines from these spectacular slopes outside Verona that he has thrown away the rule book, hence the IGT classification. Arguably his best white, made from 100% Garganega, it has orchard fruits, pears, and peaches, with notes of butter and honey. Stunning.

Chassagne Montrachet 1er Cru, Les Morgeots Vallet Freres, France 2014 (Vg | V | St)

A very fine white Burgundy indeed, made in an ultra-traditional way: it is fermented in open wood casks using only wild yeasts and no temperature control, then aged in French oak for two years. The result is a complex wine with aromas of toasted nuts and caramel, a full creamy palate and an elegant finish.
