

HOST YOUR OWN CHAMOS FUNDRAISING EVENT

This is a wonderful and easy way to get your favourite people together, catch up and support **CHAMOS!!** You can do as little or as much as you like. Here are a few helpful tips to get you started.

PLANNING YOUR EVENT:

- Choose a date and time (keep in mind that evening events are easier for those who work)
- Choose your venue: home or work, for example
- Get others involved with organizing
- Maybe find a vendor willing to hold a private sale during the event and donate a portion of the day's profits to **CHAMOS**
- Don't forget to include food and drink options for everyone (i.e. coffee, tea, soft drinks and even options for younger guests)

FUNDRAISING:

- Ask your guests for donations of drinks and food
- Add additional activities (i.e. wine tasting night, quiz night, private sale, or raffle)
- Please inform **CHAMOS** of your event (contact us via info@chamos.org.uk) and use our Information Pack to provide to your guests
- Send an invitation to your guests

AFTER THE EVENT:

- Post pictures of your event on social media to promote the awareness of the work of **CHAMOS** and its impact in Venezuela
