Dear Parent/Carer

Re: Calculators

The efficient use of calculators is an integral part of mathematics teaching both at Key Stage 3 and Key Stage 4. Therefore, it is essential that all students have their own scientific calculator that they can bring to all maths lessons.

We are able to purchase calculators at the favourable price of £8.49 if we buy in bulk from an educational supplier in Oxford, and we recommend the Casio fx-83GTX. You can order one on ParentPay so that your son/daughter has a suitable calculator when he/she starts at Abbey Grange in September.

If you would like to buy a calculator please pay via ParentPay using the login you have been provided with on the new parent information evening. If you order by Wednesday 17th July your son/daughter will be able to collect their calculator or maths pack on Wednesday 4th September. Any orders after this date can be collected week commencing 16th September.

Yours faithfully

F Martini
