Dear Parent/Carer

### Re: Calculators

The efficient use of calculators is an integral part of mathematics teaching both at Key Stage 3 and Key Stage 4. Therefore, it is essential that all students have their own scientific calculator that they can bring to all maths lessons.

We are able to purchase calculators at the favourable price of £8.49 if we buy in bulk from an educational supplier in Oxford, and we recommend the Casio fx-83GTX. You can order one by going to [www.abbeygrangeacademy.co.uk](http://www.abbeygrangeacademy.co.uk) and selecting ParentPay Shop.

If you would like to buy a calculator, please order via ParentPay Shop. If you order by Wednesday 14<sup>th</sup> July, your son/daughter will be able to collect their calculator during their first week at school in September. Any orders after this date can be collected week commencing 13<sup>th</sup> September.

Yours faithfully

*F Martini*
